

PROTECTING YOUR PERSONAL DATA ONLINE

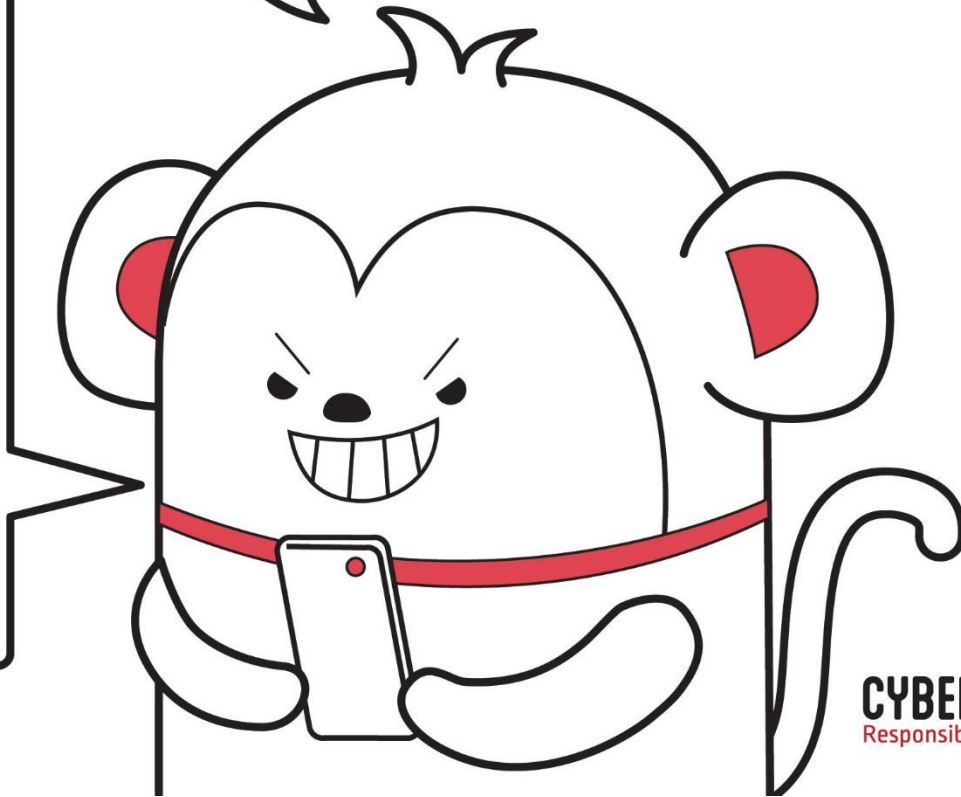

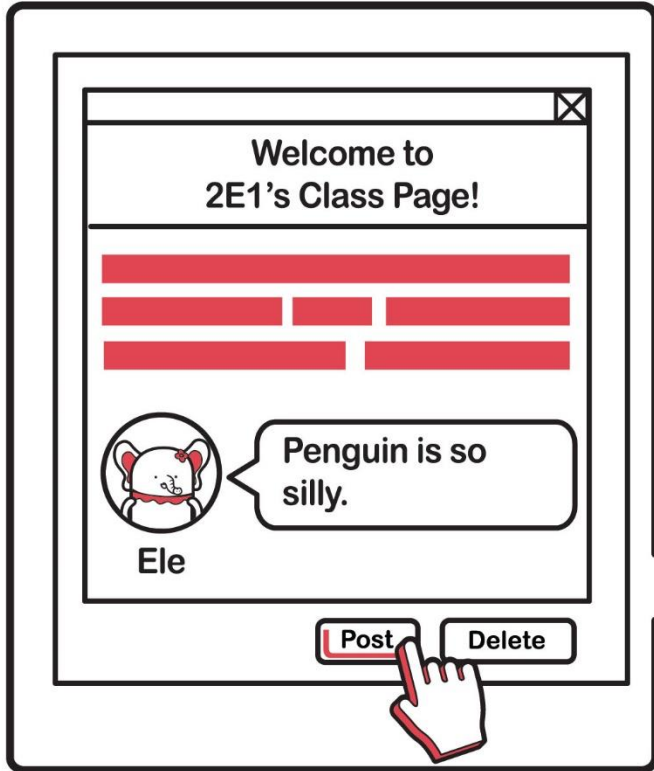

EXAMPLES OF PERSONAL DATA

- Identification Number
- Password
- Contact Number
- Email Address
- Location Data
- Name
- IP Address
- Date of Birth

Silly Ele told me her account password this morning. Time for me to post something in her name!

Do you **share** your account details with others?

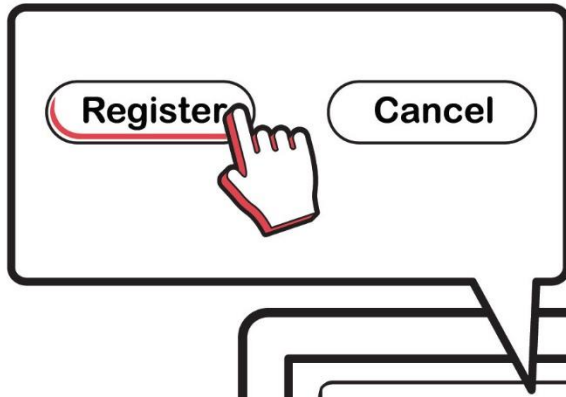

Let me upload this online in case I lose the hard copy version of it.

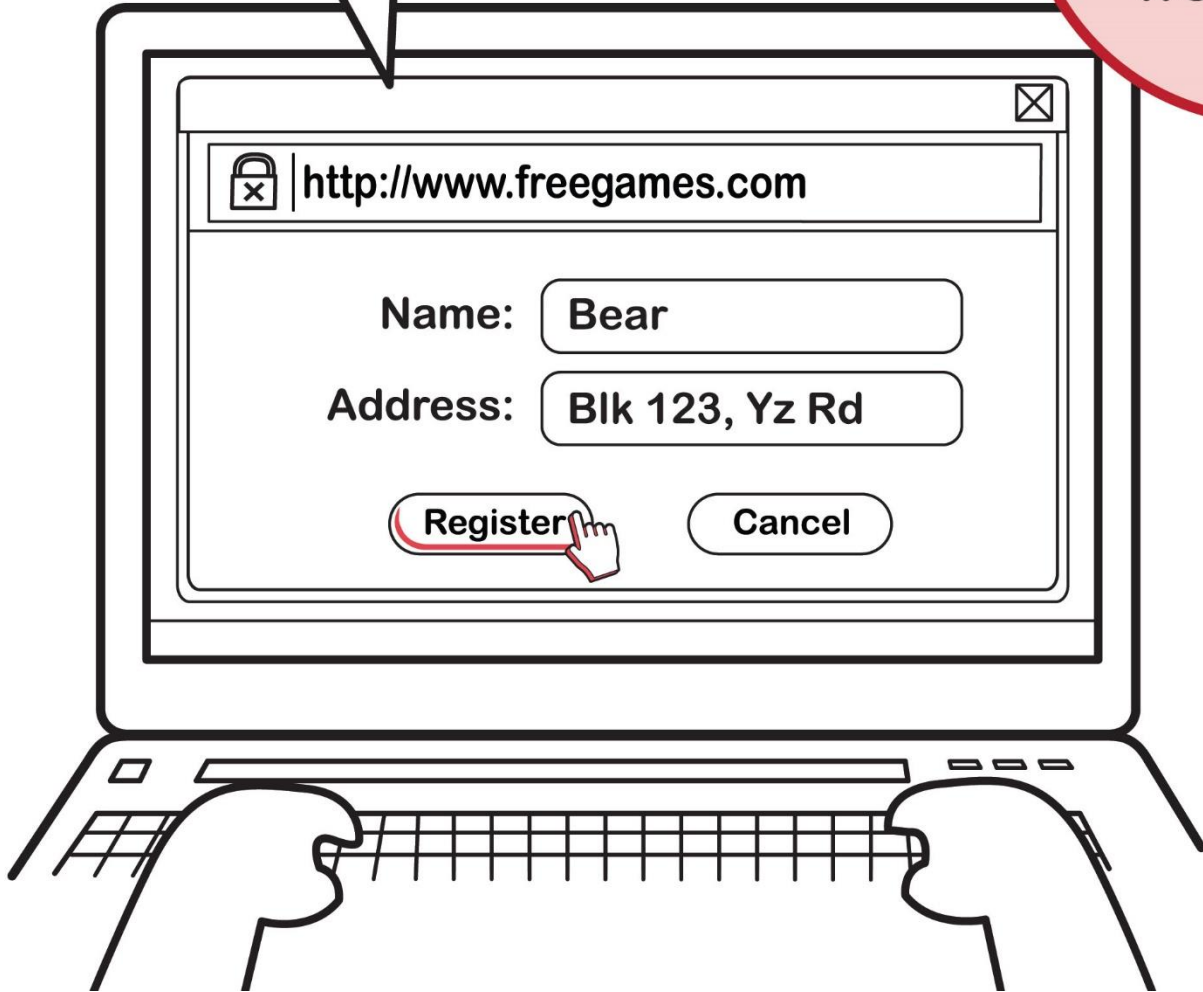

Do you **upload** others' personal data online?

Class 1/3's details
